

David Guerrero, Ph. D

Professional Address

Ifsttar, Bureau B209
14-20 bd Newton
77447 Marne-la-Vallée, France
+33 180 668 790

Permanent Address

3 pl Souham
75013 Paris, France

PERSONAL INFORMATION

Birth: December 10, 1980, in Santiago de Compostela (Spain)
Citizenship: French, Spanish

ACADEMIC CREDENTIALS

<i>PhD.</i> , Economic Geography	Université Paris 7 - Paris Diderot	2005-2010
<i>MSc.</i> , Geography	Université Paris 1 - Panthéon Sorbonne	2004-2005
<i>MSc.</i> , Transport	Université Paris 12, ENPC Paris Tech	2003-2004
<i>B.A.</i> , Geography	Université de Nantes	1999-2002

CAREER HISTORY

Ifsttar, French institute of research in transport, development and networks <i>Research Fellow</i>	2011 - present
French Prime Minister, Spatial Planning Agency, Datar <i>Project Manager</i>	2010 - 2011
Université Paris 7 - Paris Diderot <i>Lecturer</i>	2008 - 2010

VISITING ACADEMIC POSITIONS

Kwansei Gakuin University (Japan) <i>Visiting Professor</i>	Spring Semester 2019
<i>Visiting Professor</i>	Spring Semester 2017
<i>Visiting Research Fellow</i>	May - June 2015

RESEARCH INTEREST

My research sets out to understand the relationships between production systems and transportation, with particular focus on spatial issues. This leads me to develop two parallel axes respectively focusing: (a) on the spatial organization of freight flows between places (ports, cities & regions), and, (b) on the individual choices of shippers and carriers within the context of global supply chains.

Keywords: freight, port, urban system, global supply chain.

Last update: March 12, 2021

SKILLS

- Languages: Spanish (mother tongue), French (fluent), English (fluent), Japanese (beginner)
- Software: Sas, L^AT_EX, Qgis

MEMBERSHIPS, HONORS & GRANTS

- Visiting Professorship (One Semester) at Kwansei Gakuin University, Japan (2017 and 2019)
- High distinction from Ph. D thesis jury - "very honorable and highly commended, dissertation" (2010)
- Inrets PhD Grant (2005-2008)
- Member of the International Association of Maritime Economists (IAME) (since 2012)

EDITORSHIP OF SCHOLARLY JOURNALS

[ED1] Guest Editor, European Journal of Transport and Infrastructure Research 16(1) 1-94, special issue's theme: 'Data-driven innovations in policy-oriented freight transport models and planning methods' (co-edited with J. Gonzalez-Feliu and A. Goodchild), TU Delft.

PH. D THESIS

[PHD] Guerrero, D. (2010) Les aires d'influence des ports de la France : Entre réseau et gravitation, Université Paris 7 - Paris Diderot, 326 p.

FUNDED ACADEMIC PROJECTS

[As Principal Investigator] **ANR I-Site Future** (2021) Logistics and the expansion of the automotive GPNs in Eastern Asia.

[As Co-Investigator] **AFD (France)** (2016-2017) Hubs & spokes networks on freight transport.

[As Principal Investigator] **Sefacil Foundation (France)** (2016-2017) Deep Sea Sourcing

[As Principal Investigator] **Ifsttar (France)** (2015-2016) The role of ports in the automotive supply chain.

[As Principal Investigator] **Port Authority of Marseilles (France)** (2014-2015) Quantitative analysis of the hinterland of Marseilles.

[As Co-Investigator] **Kwansei Gakuin University** (2015) Port traffic and regional economic structure.

[As Co-Investigator] **Ministry of Transport (France)** (2011-2013) An analysis of urban goods movements using shippers' surveys.

INVITED SPEECHES

[2017] **IDE-JETRO (Tokyo, Japan)** Freight and urban hierarchy. Some evidence from Shippers' surveys.

[2017] **Japan Society of Transportation Economics (Osaka, Japan)** The hierarchy of freight flows.

[2014] **French Ministry of Transport (Paris, France)** The role of ports in the automotive supply chain.

[2014] **Transport Geography Group, RGS (London, UK)** An inter-urban approach of freight flows.

[2013] **Institute of Maritime Studies (Spain)** The hinterlands of French ports.

[2012] **French Ministry of Transport (La Défense, France)** The hinterlands of French ports

[2009] **University of Antwerp (Belgium)** Quantitative analysis of the hinterlands of French ports.

ACADEMIC SERVICES

(since 2012) Organizer. **Emar seminar on ports and maritime transport**, Paris.

(2013) Co-organizer. **International Association of Maritime Economists Conference**, Marseilles.

(2011-2014) Coordinator. **French Shippers' Survey**.

ESTEEM INDICATORS

Invited Reviewer for Leading Scholarly Journals. **Transportation Research Part A & Part E, Journal of Transport Geography, European Journal of Transport and Infrastructure Research, Maritime Policy & Management, International Journal of Transport Economics, Cities, Transport Policy.**

Invited Reviewer for International Conferences in Transport & Logistics. **World Conference on Transport Research (2013), International Association of Maritime Economists (2012-2017).**

POSTGRADUATE TEACHING EXPERIENCES

[PT9] Université du Djibouti (Djibouti) *Master International Transport and Logistics Strategies (2019-)* **Maritime transport economics.**

[PT8] Université Paris 1 Panthéon Sorbonne (Sofia, Bulgaria) *Master International Transport (2019-)* **Maritime transport economics.**
